Hippity hop, I'm on my way,  
Bringing you cheer this Easter Day!  
With baskets of goodies, sweet and bright,  
I'll hop through gardens in the soft moonlight.  
Chocolate eggs and jelly beans too,  
All tucked in the grass, just waiting for you!  
I've painted eggs with colors so fun—  
Pink, blue, yellow, every one!  
Hidden in corners and under the tree,  
Look high and low, you'll surely see!  
Each treat is a gift from me to you,  
For laughter and smiles the whole day through!  
So listen for my soft bunny feet,  
As I leave you surprises, all so sweet.  
Remember to giggle and play all day,  
That's the true Easter Bunny way!  
With a twitch of my nose and a hop goodbye,  
I'll see you next year—so reach for the sky!

HAPPY EASTER, 

*The Easter Bunny*
